

A top-down, driving simulator that is **fast-paced, quirky** with some **additional twists**.

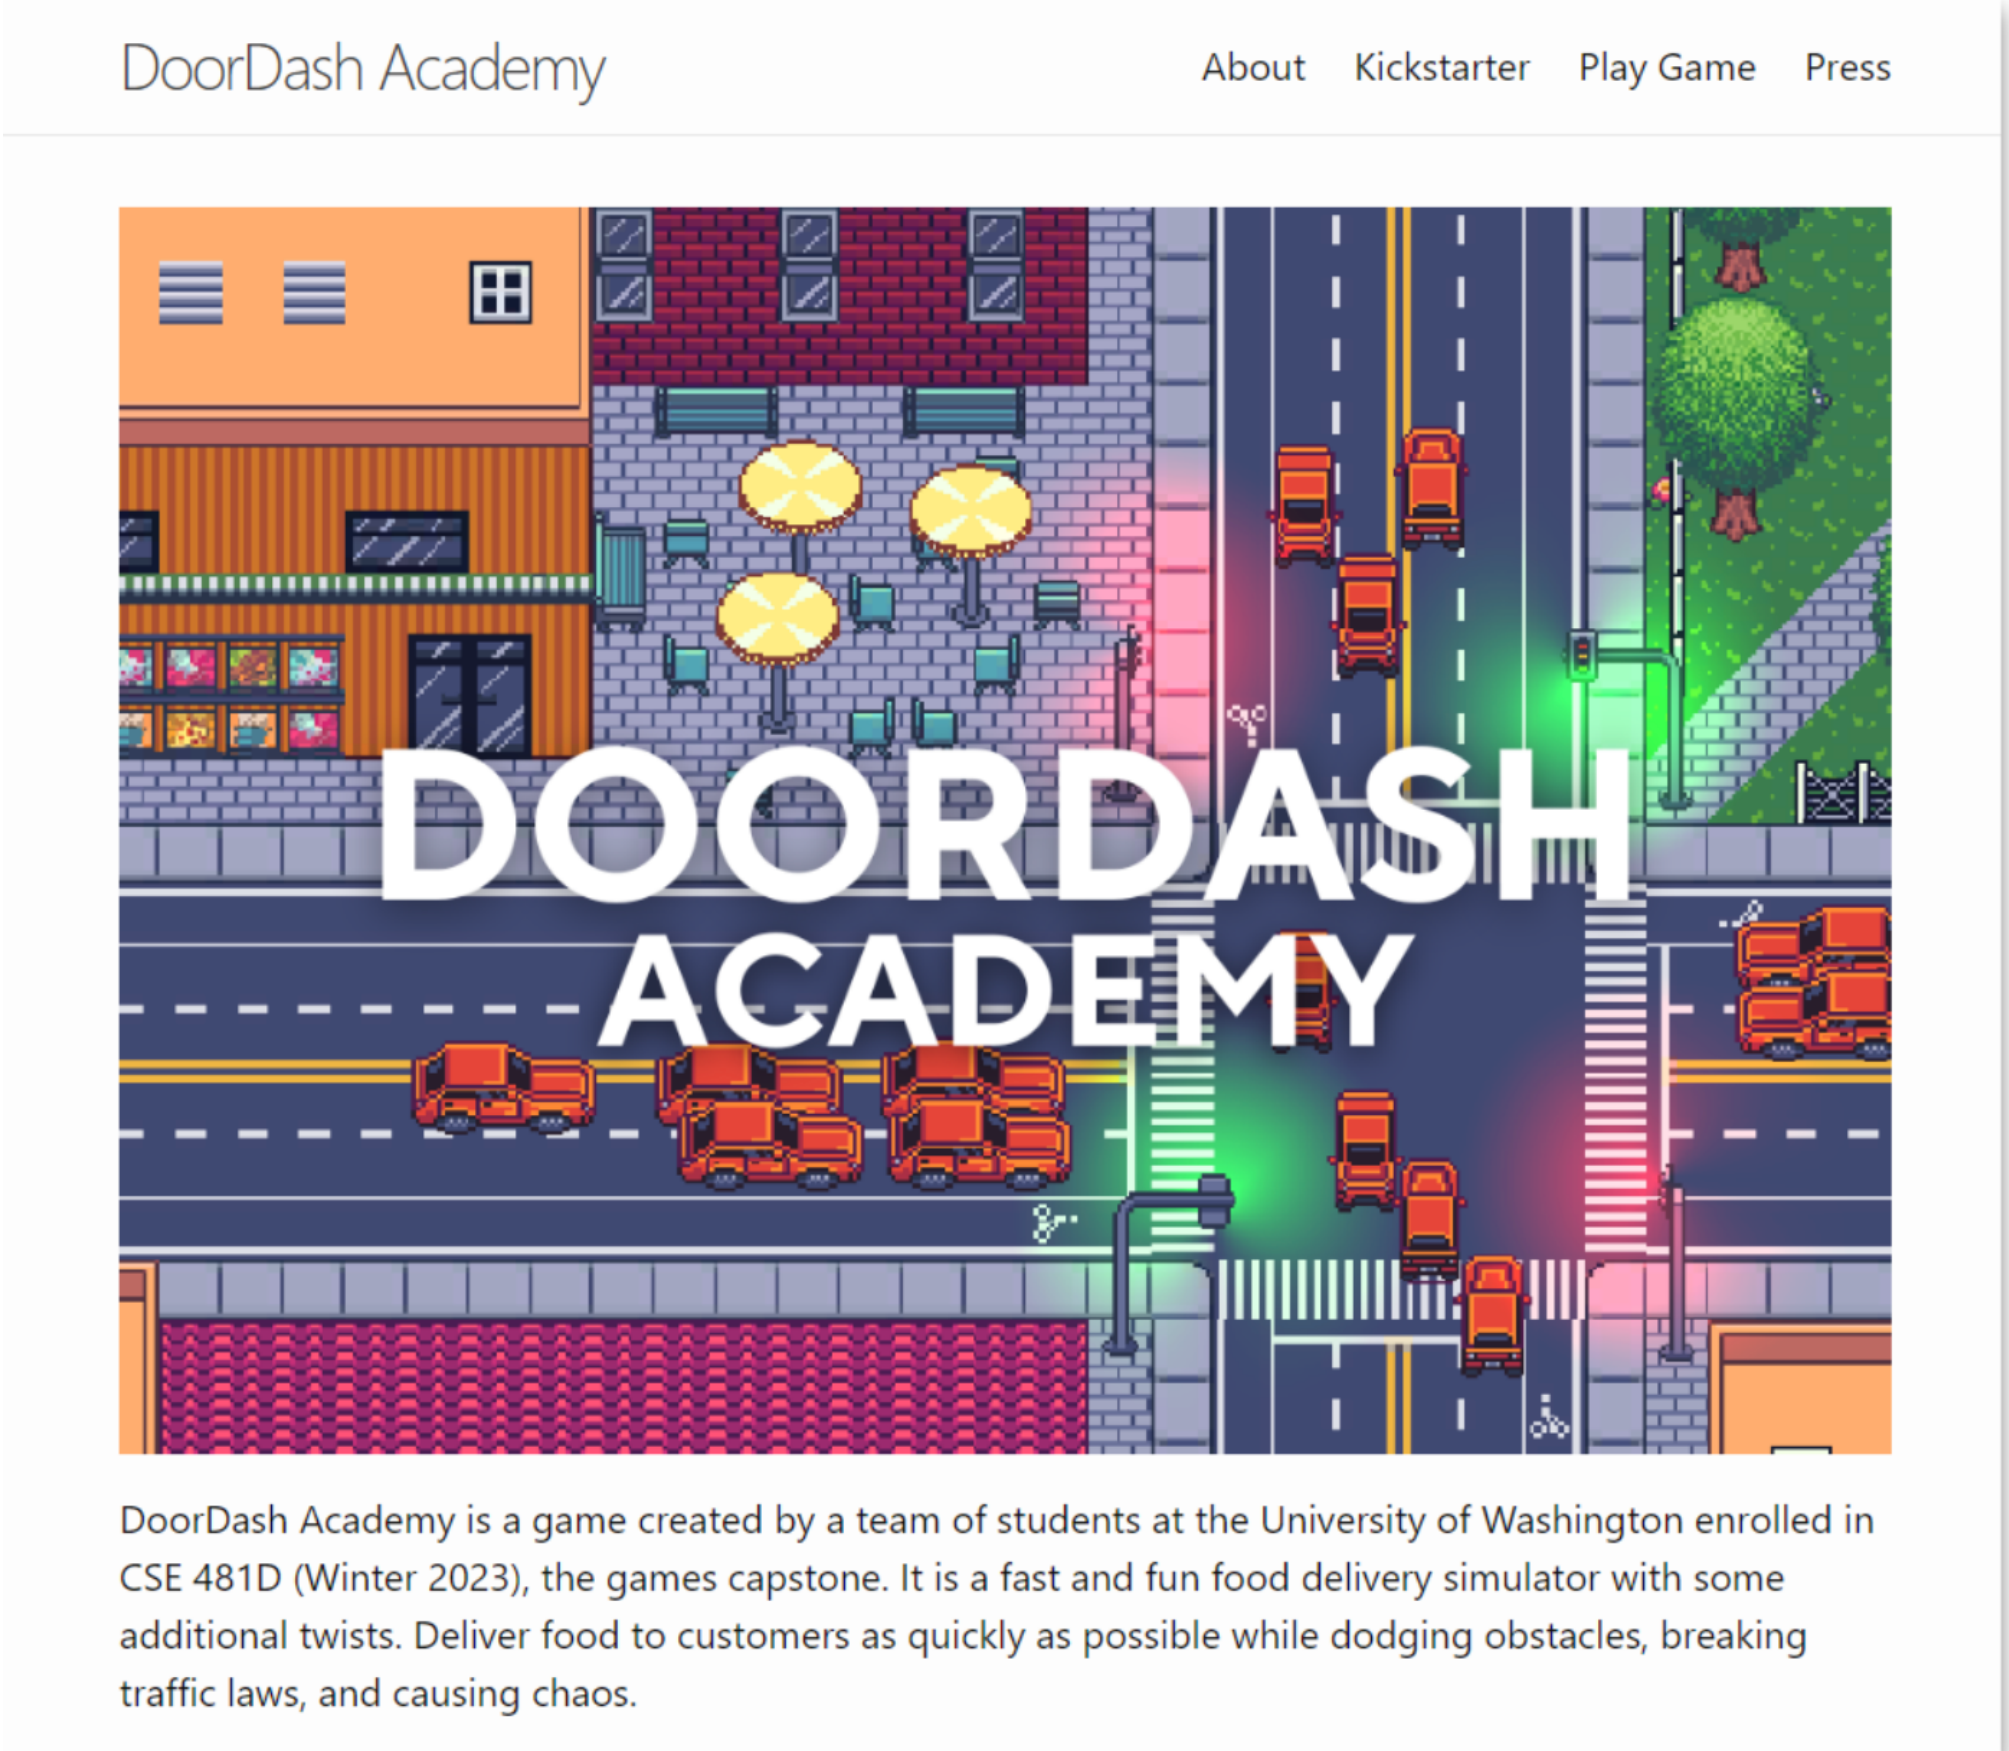

## Social Media

## Kickstarter

DoorDash Academy is a top-down, driving simulator that is fast-paced, fun, with a quirky style and some additional twists. Deliver food to customers as quickly as possible while dodging obstacles, breaking traffic laws, and causing chaos. Earn money based on the quality and timeliness of your deliveries to buy upgrades and explore new maps.

Team: Ashwin, Brett, Cole, Connor, Riya
